KENT COLLEGE - CANTERBURY

WELLINGTON COLLEGE

WELLINGTON COLLEGE - BERKSHIRE

First Business Water - Customer first | Quality service - we are committed to placing you at the heart of the business

Competitive Pricing saving 3 - 5 % in cost to compare with current supplier

WHOLESALE PLUS PRODUCT

We simply pass through the wholesale charge and add a retail fee to reflect the services we provide - competitive and transparent. **Our retail service charge is a pre-agreed fee and not dependent on how much water you use.** Our ambition is to encourage you to use less water and save more money.

CONSOLIDATED BILLING

We will provide you with one simple bill for all consumption and charges in one invoice and if you have multiple business premises we can make life easier with one consolidated bill.

ACCOUNT MANAGEMENT

We will provide you with a dedicated account manager complemented by our dedicated customer service team helping you to avoid time wasted in resolving problems.

WATERDECK PORTAL TO DOWNLOAD INVOICES AND SUBMIT METER READINGS

WaterDeck helps you to easily understand and track water consumption, benchmark water usage performance, download invoices, submit meter readings via the mobile app and be more water efficient. Track water usage in real time. Automated AMR connection. Alerts when consumption above tolerance.

NON - RETURN TO SEWER

We can help you to reduce wastewater cost by reviewing non - RTS agreement with wholesaler. If your premises have sports grounds, golf courses, swimming pools, automatic irrigation system, or evaporation loss.

EDUCATIONAL TALK

We provide advice, educational talk, and water efficiency materials to help teachers and students reduce water use in school and encouraging them to be more water efficient.
